BEWARE OF FAKE LAWYERS!

WHAT IS A FAKE LAWYER?

A fake lawyer is someone who claims to be a lawyer or legal adviser or who uses the title “Maître” without being registered with the Quebec Bar or the Chambre des notaires du Québec.

Such a person is therefore practicing law illegally.

GOOD TO KNOW

Only Quebec lawyers and notaries, immigration and citizenship consultants and people who help you free of charge can represent you or advise you about immigration.

WHERE TO START?
